6 JAPANESE IRISES ASST. COLORS \$1.00
6 SIBERIAN IRISES ASST. COLORS \$1.00

Dear Flower Friend:

I have been having so many requests for collections of both Peonies and Irises that I have gone through practically my entire plantings to make these unusual

SPECIAL OFFER COLLECTIONS.

every one of which you will readily see is a most unusual bargain and an opportunity for every flower grower to have the world's finest varieties in their garden.

Every plant will be labeled and guaranteed true to name, together with planting instructions. Peonies are standard 3 to 5 eye; Wassenberg Quality divisions and will be shipped in September. The Irises, well grown rhizomes, and will be shipped at once.

If none of these collections fill your needs, I will appreciate your passing this list to a friend, as I know you appreciate the beauty and value of the varieties offered.

Very truly,

C. F. Wassenberg
